That’s $65 million for over 700 scholarship schemes (not including prizes or college and sporting scholarships). To maximise your students’ chances of receiving a scholarship, we are hosting a Scholarships Information Evening for year 11 and 12 students.

  Our annual information evenings are hosted by the Scholarships Office and will share insider hints and tips on completing a University of Sydney scholarship application. Attendees will also hear from a Sydney student about how they got a scholarship and how it has helped them succeed.

- **OPEN DAY - AUGUST 30, 2014**
  The University opens its doors to give students a chance to get a taste of University life and find out more about studying at Sydney. Prospective Students can talk to our faculty representatives, career experts and admissions advisers, or attend one of over 140 mini lectures about the courses we have on offer.

  All throughout Open Day we run regular tours of the campus, faculty buildings, museums and residential colleges.
