New TAFE Course - Diploma of Football
The diploma has been designed in consultation with industry experts and Sydney TAFE to meet the demands of modern day football and its associated career opportunities. The program merges sports science, coaching methodology, high performance training systems, professional development, mentoring by current professional players and management, marketing, events and the business of sport studies. The unique course design allows for an easy transition and transfer-ability of the skills canvassed throughout the year - into the broader sports, fitness and recreation industries.
For further information please contact: Mr Milton Sakkos - 0432 701 252 or Mr Michael Chiovitti - 0416 141 787 or Visit us on Facebook or our website for more information – www.fc11.com.au

New Course: Information Systems at UWS
Bachelor of Information Systems
Information Systems are becoming integral components of our lives. Have you ever wondered what is behind online gaming systems, stock exchange decision making, product tracking, production lines, vital health decision making systems, social networking or graphical positioning systems? Come and join the University of Western Sydney and learn how to plan, develop and integrate systems, test, manage, secure, upgrade and improve them. Furthermore, within this course you will carry out a real-life project where you will learn how to design, develop and implement an information system aimed at solving community based problems.
For details please e-mail binfosys@uws.edu.au or www.uws.edu.au

has just updated its “will I get a job” page so that high school students can find out about the health industry labor market. Go to https://www.myhealthcareer.com.au/will-i-get-a-job/ for details.

UAC School Recommendation Scheme
Schools Recommendation Scheme (SRS) enables schools to recommend current Year 12 students who are UAC applicants, for early offers of undergraduate admission. The aim of SRS is to help Year 12 students gain access to higher education, some of whom might otherwise not be offered a place.
SRS, which will be operational for 2015 admissions onwards, aims to centralize the early admissions process. It allows for a simple single online application, rather than, institution specific applications. As a result, students who wish to apply for early entry into multiple intuitions will only have to complete one application. For more information: http://www.uac.edu.au/srs/
**ACU Elite Athlete Program**

Applications close Sun 13th July

ACU's Elite Athlete Program has been established to support future and current students who have maintained a record of excellence in sporting performance throughout their studies and wish to pursue a sporting career alongside an academic one. Future students deemed to be Elite Athletes will be eligible to receive up to five bonus points towards entry score for admission to courses at ACU. Successful applicants accepted into the Elite Athlete Program, your Course Coordinator and Elite Athlete Program Coordinator will consult with you to try and arrange more flexible timetable and assessment options to accommodate your training and competition schedules.

For more information and to apply for the program, visit: [http://www.acu.edu.au/study_at_acu/alternate_entry/elite_athlete_program#1](http://www.acu.edu.au/study_at_acu/alternate_entry/elite_athlete_program#1)

---

**CSU Diploma of General Studies Pathway Option**

Students who don’t meet the entry requirements or require further preparation for university level study can undertake CSU’s Diploma of General Studies. It is a one year full-time pathway program offered in partnership with selected TAFE Institutes and consists of eight subjects studied over two 17-week sessions. Four subjects drawn from the TAFE Certificate IV in Tertiary Preparation (TPC) and four subjects from CSU’s bachelor level subjects provide a solid preparation for university studies. For more information, visit: [http://www.csu.edu.au/courses/undergraduate/general_studies/course-overview#.U27lmKWKDug](http://www.csu.edu.au/courses/undergraduate/general_studies/course-overview#.U27lmKWKDug)

---

**Australian Maritime College Undergraduate Courses**
