***Ms Janes is on long service leave for term 4 and will return for term 1 next year. Please feel welcome to contact Mr Blake who will be acting as Carees Advisor for Ms Janes this term. To contact Mr Blake please come to Careers office in SRC, call 9414 4310 or email dblake@stpiusx.nsw.edu.au

➢ UNIVERSITIES

| UTS New Bachelor of Management |
The all new Bachelor of Management provides students with a broad introduction to key managerial concepts, immersion into innovative and entrepreneurial thinking, and a choice of three key majors in events, tourism and sport business.

| UTS Engineering Bonus Points 2015 |
Questionnaire closes Fri 28th November
Engineering’s Year 12 Bonus Points Questionnaire could give students bonus points towards their application to a UTS engineering degree. Early round offers will also be made on the basis of this questionnaire.

| UTS Art Education |
The UTS ART Education and Outreach program connects high school students with contemporary art, ideas and innovation and provides a foundation for working with the creative and cultural sector. Participatory events and workshops based on the UTS ART Collection and Gallery program are held on campus, developing students’ capacity as creative thinkers.

| UTS Ignite: Assisting Refugee Entrepreneurs |
UTS Business School and Shopfront are collaborating with Settlement Services International on a world-first program to help people from refugee backgrounds achieve their business potential. Ignite does not provide funding to the entrepreneurs, instead connecting them with organisations that provide small, interest-free or low interest loans and business advice to assist refugees and migrants to launch start-ups.

UNSW: Minerals Summer School
Mon 19th January – Thu 22nd January
Applications close Fri 17th October
Students in Year 10 or 11 who are interested in science or engineering can take part in this four day residential summer school. Students will learn about study, careers, lifestyles and opportunities in the Australian minerals industry.
Contact: mining@unsw.edu.au
http://www.engineering.unsw.edu.au/mining-engineering/unsw-minerals-summer-school

UNSW Parent Information Guide

UNSW High School Physics Competition
Paper submissions open on Fri 21st November with the Student Experiment Symposium to be held on Fri 12th December.
High school students from years 7 – 11 across Australia are invited to investigate a physical phenomenon of their choosing and report their findings to the UNSW Student Experiment Symposium. A maximum of five students are allowed to participate per paper submission.
https://www.physics.unsw.edu.au/high-school/experiment-competition

UNSW Science Information Day
Thu 6th November, 9.00am – 3.00pm, UNSW Kensington Campus
This full-day activity is open to high school students in years 10, 11 and 12 and is designed to provide attendees with a taste of university life as a science student at UNSW.
Contact: science@unsw.edu.au
http://www.science.unsw.edu.au/future-students/science-info-day

UNSW: Changes to the AAA Scholarship
The Academic Achievement Awards are provided to encourage academically gifted local Higher School Certificate (HSC) or equivalent students from NSW and ACT high schools to undertake undergraduate study at UNSW. For entry to UNSW in 2015, the selection process will no longer require the school Principal's nomination.
AAA offers will be made by UNSW to students that achieve the highest ATAR (not including bonus points) at eligible NSW and ACT high schools

The University of Newcastle: Open Foundation
Open Foundation is a tertiary preparation program that provides a qualification which can be used to gain entry into university in addition to helping to develop the skills needed for successful study at tertiary level. Students completing the program should expect a workload of 15–20 hours per week from March to November in part-time and online Open Foundation, and 30–35 hours per week from July to November in Intensive Open Foundation.
http://www.newcastle.edu.au/future-students/open-foundation/about-open-foundation

The University of Sydney Science Experience
Wed 14th January – Fri 16th January
Get a greater understanding of the reality behind a lot of popular forensic television shows through hands-on lectures and presentations. Students perform tasks such as blood typing, DNA analysis, identifying fibres from a crime scene, cleaning a digital photograph and undertaking fingerprint analysis to collect evidence against six suspects.
For students about to begin year 10 or 11
Contact Jessica Morris: (02) 9114 0825 or science.alliance@sydney.edu.au

The University of Sydney Gifted and Talented Discovery Program
Registrations for the program’s qualifying exams close Fri 24th October
The program aims to provide talented high school science students (in Years 9 and 10) with additional challenges and stimulation in the areas of biology, chemistry and physics. Students are provided with the opportunity to engage with University teaching staff and current researchers, access first-class facilities and make friends with people who have a mutual interest in science.

University of Western Sydney Course Decision Day
Mon 5th January, Parramatta Campus
Students who are undecided about their study path may attend course decision day to get access to further information about their study options. Academics from all areas of study will give presentations on courses and attendees can speak one-on-one to an academic in the course advising rooms.
http://future.uws.edu.au/future_students_home/events_at_uws/course_decision_day

Charles Sturt University Bachelor of Applied Science Webinar
Thu 23rd October, 7.00pm – 7.45pm
The webinar will outline the benefits of the course and the opportunities for graduates.
Contact: Judy Walsh on (02) 6338 6010 or infoevents@csu.edu.au
University of Wollongong: Year 12 Study Days
HSC English Extension: Tue 4th November
HSC History: Wed 26th November
HSC Society and Culture: Thu 27th November

University of Wollongong Options Day
Tue 6th January
Prospective students can bring their results on the day to receive advice from academics, representatives from UOW College and TAFE.
Contact: 1300 367 869 or UNIADVICE@UOW.EDU.AU

Monash Advice via YouTube
Monash, in collaboration with first year students, have put together a series of short videos featuring study advice and tips from those who achieved exceptional ATARs. These videos are titled ‘Brilliant Advice’ and aim to inspire year 12 students.
http://www.youtube.com/user/monashunivideo

➢ PRIVATE COLLEGES

Macleay College Industry Days
Sat 25th October and Sat 1st November
Macleay College will host two Industry Days for senior high school students to provide them with a taste of their possible future careers. There will be individual sessions focused on Sports Management and Journalism on the first industry day with the second industry day holding individual sessions on Event Management and Tourism.

AIE Open Day
Sat 15th November, 10.00am – 3.00pm, Sydney and Canberra campuses
Discover the courses designed to get you started in game development, 3D animation and visual effects. Open day will include presentations on different areas of the industry and provide information on full-time and part-time courses. Student work will be on display and teachers will be available for consultations.

AIE Online Experience Day
Sat 29th November, 12.30pm – 4.00pm (AEDT)
Course overview sessions will be running on the range of online courses in 3D animation, game programming and game design offered by AIE. In addition, Rowan Ziesing, an industry speaker, will provide valuable insights into what the life of an animator is like.
http://www.aie.edu.au/announcements/online-experience-day-november-29th-2014
