It is the responsibility of the student to confirm all details with the appropriate institution.

***Ms Janes is on long service leave for Term 4 and will return for Term 1 next year. Please feel welcome to contact Mr Blake who will be acting as Carers Advisor for Ms Janes this term.

To contact Mr Blake please come to Careers office in the SRC, call 9414 4310 or email dblake@stpiusx.nsw.edu.au

➢ UNIVERSITIES

UNDA
Year 12 examinations are a stressful time; if at any point during or after the exams you have students who are unsure of where or what to study, our Prospective Students Office can help, by providing personalised course and admissions information; details about pathways available; or an individual campus tour.

Notre Dame’s unique admissions process means that applications continue to be accepted, with no fee to apply.

Contact a member of the Prospective Students Office on 02 8204 4404, email sydney@nd.edu.au, or visit our website www.nd.edu.au/applynow.

5 Star Education
We are very proud to say that The University of Notre Dame Australia has received five star ratings from graduates for the eighth year in a row in an independent survey conducted by The Good Universities Guide.

2015 Young Achievers Early Offer Program
I am pleased to announce that the 2015 Notre Dame Young Achievers Early Offer Program attracted a large number of talented, capable and well-rounded Year 12 students from all over New South Wales.

Each Young Achiever who has met the minimum entry requirements and accepted their offer has not only secured a place at Notre Dame, but will now be part of an exclusive Early Offer community.

For more information regarding the personal and academic benefits that involve being part of this selected group, and to know more about how your future Year 12 students can apply, please click here.

Thank you for your support in delivering this information across to your students, and my particular thanks to those of you who hand-delivered your students’ applications!

Visit Notre Dame at Twilight!
Busy from 9-5? Come and visit Notre Dame during the evening!
Following the HSC exams, we understand that some of your students (and their parents!) may still be searching for the right place to study. The Prospective Students Office will remain open until 7:00pm on Tuesday 18, Wednesday 19 and Thursday 20 November 2014, to assist anyone unable to get to the university during normal business hours.
We will be available to help with any questions you may have regarding tertiary study options, admissions information and campus tours. Bookings for consultations and campus tours are available now at [www.nd.edu.au/events/2014/still-time-twilight2](http://www.nd.edu.au/events/2014/still-time-twilight2), or contact us on 02 8204 4404 or [sydney@nd.edu.au](mailto:sydney@nd.edu.au).

The Prospective Students Office is located at Ground Floor, 140 Broadway, Broadway NSW 2007 ([map](http://www.nd.edu.au/events/2014/still-time-twilight2)).

Applications for Semester One 2015 are open!

### Scholarships

If any of your students are applying or have accepted an offer at Notre Dame please encourage them to apply to the Academic Merit Scholarship for Commencing Students before 31 December 2014.

This scholarship is open to all applicants seeking to enrol in an undergraduate or postgraduate degree. Students who receive an Academic Merit Scholarship are entitled to fee remission on tuition fees for one year full-time equivalent of a single degree program.

### Upcoming Events: Notre Dame Course Info Days

Still deciding which university and course to enrol in for 2015? Come along to one of our Course Info Days and have all your questions answered by our staff. Have a personalised consultation about your study options and tour our campus.

Register below or contact us on 02 8204 4404 or [sydney@nd.edu.au](mailto:sydney@nd.edu.au) for further information.

**Broadway**

Tuesday 6 January 2015, 9:00am-3:00pm, 104 Broadway, Broadway NSW 2007 ([map](http://www.nd.edu.au/events/2014/still-time-twilight2))

To find out more about this event and/or to register please click on the following link: [www.nd.edu.au/events/2015/course-information-day](http://www.nd.edu.au/events/2015/course-information-day)

### UNSW PARENT INFORMATION GUIDE

### UNSW: MINERALS SUMMER SCHOOL

*Mon 19th January – Thu 22nd January*

Applications close Fri 17th October

Students in Year 10 or 11 who are interested in science or engineering can take part in this four day residential summer school. Students will learn about study, careers, lifestyles and opportunities in the Australian minerals industry.

Contact: mining@unsw.edu.au

### UTS NEW BACHELOR OF MANAGEMENT

The all new Bachelor of Management provides students with a broad introduction to key managerial concepts, immersion into innovative and entrepreneurial thinking, and a choice of three key majors in events, tourism and sport business.

UTS ENGINEERING BONUS POINTS 2015
Questionnaire closes Fri 28th November
Engineering’s Year 12 Bonus Points Questionnaire could give students bonus points towards their application to a UTS engineering degree. Early round offers will also be made on the basis of this questionnaire.
http://www.uts.edu.au/future-students/engineering/essential-information/year-12-bonus-scheme-questionnaire

THE UNIVERSITY OF SYDNEY SCIENCE EXPERIENCE
Wed 14th January – Fri 16th January
Get a greater understanding of the reality behind a lot of popular forensic television shows through hands-on lectures and presentations. Students perform tasks such as blood typing, DNA analysis, identifying fibres from a crime scene, cleaning a digital photograph and undertaking fingerprint analysis to collect evidence against six suspects.
For students about to begin year 10 or 11
Contact Jessica Morris: (02) 9114 0825 or science.alliance@sydney.edu.au

UTS DISCOVER ARCHITECTURE SUMMER SCHOOL
Applications close Mon 5th January
Summer school runs from Mon 12th January – Thu 22nd January, UTS School of Architecture, 702-730 Harris Street, Ultimo
The UTS Discover Architecture Summer School is aimed at students who are considering a career in architecture.
Students will get to explore the Sydney CBD, make models and drawings using advanced digital equipment, meet and work with architects working at a variety of levels, and more. The course costs $599 and does not cover day-to-day costs such as meals, flights or accommodation.
Contact: Joanne Kinniburgh on 02 9514 884 or Joanne.Kinniburgh@uts.edu.au
http://www.utsarchitecture.net/discoverarchitecture/

SOUTHERN CROSS UNIVERSITY MAIN ROUND SCHOLARSHIPS
Applications close Sat 20th December
Southern Cross University offers a range of scholarships to undergraduate students commencing study in 2014. Applicants can apply online and will be considered for all scholarships that they are eligible for.

UNSW HIGH SCHOOL PHYSICS COMPETITION
Paper submissions open on Fri 21st November with the Student Experiment Symposium to be held on Fri 12th December.
High school students from years 7 – 11 across Australia are invited to investigate a physical phenomenon of their choosing and report their findings to the UNSW Student Experiment Symposium. A maximum of five students are allowed to participate per paper submission.
https://www.physics.unsw.edu.au/high-school/experiment-competition

UNSW SCIENCE INFORMATION DAY
Thu 6th November, 9.00am – 3.00pm, UNSW Kensington Campus
This full-day activity is open to high school students in years 10, 11 and 12 and is designed to provide attendees with a taste of university life as a science student at UNSW.
Contact: science@unsw.edu.au
