The event will be for year 12 students and is an opportunity for them to meet top employers and hear from industry experts on topics such as the recruitment process and insights into a career in business. More details to follow in coming weeks

➢ SYDNEY UNIVERSITY
St Andrew’s College is again reaching out to schools to advise that we have up to $1 million available in scholarships, bursaries and prizes for students for 2016. We’d like to ensure that your senior students are aware of these opportunities, should they be considering tertiary study in Sydney. Our Scholarships information can be found here: standrewscollege.edu.au/current-students/scholarships-and-prizes/
Our Bursary Assistance information can be found here: standrewscollege.edu.au/current-students/bursary-assistance/
Our means-tested Bursary Assistance include packages up to full fee relief, depending on need. In 2014, we also launched our St Andrew’s Scholars program. These merit-based scholarships are awarded to five new students each year. The successful applicants are young people with the capacity and commitment to realise their potential to become leaders in the university, the nation and the world. We are looking for the ‘best and brightest’ students in the country, who wish to study at a university in the Sydney metro area.

Applications are now open for the 2016 St Andrew’s Scholars intake.

More information is available here: standrewscollege.edu.au/st-andrews-scholars/ and we ask that you pass this on to your high-achieving students. Applications close 30 June, so we encourage any interested students to apply as soon as possible.

The University of Sydney also offers some great scholarships to undergraduate students: sydney.edu.au/scholarships/ detailed information is available on our website: standrewscollege.edu.au/prospective-students/
Please feel welcome to contact the College directly with any questions on (02) 9565 7300.

APPLYING TO THE AUSTRALIAN DEFENCE FORCE ACADEMY
It is advised that students wishing to study at ADFA apply in year 11 as it is a competitive selection process which may take up to 12 months to complete. Gaining entry to ADFA is a dual process which requires students to apply directly to the Australian Defence Force while also applying concurrently to UNSW ADFA through UAC.
An offer to study at ADFA is conditional to meeting the academic requirements of UNSW as well as the mental and physical requirements of the Australian Defence Force.
