MEET THE BUSINESS LEADER – CADETSHIP OPPORTUNITIES FOR 2016

Your students have big dreams. We want to help them get there. To do that, we’re assembling some of the most successful business leaders from across Australia, so they can have their questions about the world of business answered. After all, the best way to find the path to success is to speak to those who have walked it. We’re calling it ‘Meet the Business Leader’.

**Date:** Wednesday May 20, 2015  
**Time:** 4:30pm arrival; 5-8pm event  
**Location:** Crystal Ball Room, Luna Park, 1 Olympic Drive, Milsons Point  
**Cost:** Free to attend, however students will need to register. [Click here to register.](#)

Some events will show your students their career options. But Meet the Business Leader will make sure they get the practical, personalised advice they need to choose the best options for them. By speaking to those who have achieved their dreams, they’ll have the confidence and knowledge to explore the opportunities a career in business can offer them.

The format of the event will include a series of employer representatives available to answer students’ questions and provide them with information on their cadet programs. There will also be a Leadership Lounge Q&A Session, where industry leaders will provide an insight into their background, career advice for students and an understanding on how to excel in the recruitment process.

**What is a cadetship?** A cadetship is paid employment that complements undergraduate studies within a related field, offering the cadet an opportunity to gain practical, real-world experience while at university. This enhances students’ employment prospects and provides a springboard to their professional career. In some instances, a cadetship may lead to a graduate job offer.

**Making the most of the event:** Students can get the most out of this event by familiarising themselves with the different organisations who offer cadetship programs in the lead up to the event. A number of the employers attending are featured in our Employment Guide 2015 app, which is available for download for Apple and Android phones and tablets at: [www.charteredaccountants.com.au/eg](http://www.charteredaccountants.com.au/eg)
