UAC SCHOOL RECOMMENDATION SCHEME
Applications for SRS Open Wed 5th August
Applications Close Wed 30th September
Schools Recommendation Scheme (SRS) enables schools to recommend current Year 12 students who are UAC applicants for early offers of undergraduate admission. The aim of SRS is to help Year 12 students gain access to higher education, some of whom might otherwise not be offered a place.

SRS allows for a simple single online application, rather than, institution specific applications. As a result, students who wish to apply for early entry into multiple intuitions will only have to complete one application. More information will be available when applications open. See Ms Janes for more details.
