**CHATSWOOD**

## Student Incident and Sports Injury

St Pius X College maintains a register of all injuries and near misses related to Staff Members, Students, Volunteers, Visitors or Contractors whilst they are at school or undertaking a school-related activity.

### **Student Accidents and Sporting Injuries**

Recording of injuries and “near misses” is central to St Pius X College’s obligation to take such measures as are reasonable in all the circumstances to protect students, staff, parents, volunteers and contractors from risks or harm that reasonably ought to be foreseen. The recording of these incidents is key to ensuring that risks of further injury are effectively mitigated and corrective actions can be implemented.

The recording and analysis of data relating to injuries/harm over time provides key information as to the types of safety hazards that exist within the College and assists us in continuing to develop a safe environment for all.

### **Reporting Safety Incidents and Sporting Injuries**

Any injuries or near misses relating to a Student, Parent, Staff Member, Volunteer, Visitor or Contractor whilst they are at school or undertaking a school related activity should, as soon as possible, be reported online via the [St Pius X College – Safety Incident and Sports Injury Form](#). The incident may have resulted in an injury or have been a near miss with or without property damage, regardless we need it reported.

This form can be completed by anyone i.e. a parent, teacher, coach, student, first aid officer, volunteer etc just click on the link above.
