ST PIUS X COLLEGE
CHATSWOOD

PRINCIPAL'S MESSAGE

Congratulations to Year 12, 2013

Congratulations to our Year 12 students on their outstanding results in the 2013 HSC. They have certainly left their mark on the College, rewriting many parts of our record books for their academic, artistic, cultural and sporting achievements. I want to acknowledge the great efforts of teachers in helping all our students achieve their own personal best. The HSC is a very demanding course and the staff at the College have done a marvellous job of working with a group of students with differing abilities and interests. The Graduating Class of 2013 have shown themselves to be young men of tremendous courage and compassion. I have no doubt that these fine young men will make a difference to our world.
