

INFORMATION FOR “PRESCRIBED” VOLUNTEERS

The Working with Children Check (WWCC) commenced in NSW on **15 June 2013**. “Prescribed” volunteers who work in secondary schools have been phased into the new system since **1st April 2016**,

How does this affect you?

- Only certain volunteers (prescribed by the legislation) are required to get a Working with Children Check.
- You will be required to get a WWCC if you fit into one of the following categories:
 1. You are **not** a parent or close relative of a child who attends the school or your child does not usually participate in the activity in which you are volunteering.
 - A ‘parent of a child’ includes a carer or person who has legal responsibility for a child. A ‘close relative’ includes a spouse or de facto partner, child, step-child, parent, step-parent, sibling, step-sibling, grandparent, step-grandparent, aunt, uncle, niece or nephew. In the case of Aboriginal and Torres Strait Islander, a close relative includes people who are part of the extended family or kin of the child according to the indigenous kinship system.
 2. You are working in a high risk role irrespective of whether you are a parent or a close relative of a child at the school. High risk roles include:
 - Providing personal care with intimate contact to children with disabilities
 - Providing mentoring services
 - Working in direct contact with students without other adults nearby
- Any “prescribed” volunteer who commenced after 15 June 2013 will already have undertaken the new Check before starting in their new role.
- The Check will be valid for 5 years and is portable. This means if you volunteer in other child-related work within the 5 year period you will not need to undertake a new Check.
- It will be the responsibility of each “prescribed” volunteer to undertake the Check.
- The College as the ‘employer’ for staff and volunteers, is responsible for verifying each Check and maintaining a database of those staff/volunteers who have clearances.
- “Prescribed” volunteers who do not have a valid clearance by 31st March 2017 will not be able to work in the school.
